Subj:- Requesting your support to conduct a research study entitled "A Mix-method study to Understand the Demand for Health Professional Education among Doctors and Nurses" among aspirants and students of medical/nursing schools/colleges and key stakeholders

Madam/Sir,

I am pleased to inform you that your school has been selected for a study entitled "A Mix-method study to Understand the Demand for Health Professional Education among Doctors and Nurses" to be conducted by the World Bank (WB). The World Bank is extending assistance to the state of Assam in enhancing its secondary healthcare system. As part of their technical support, the World Bank is facilitating a research study to comprehend the demand for health professional education among aspiring students in higher secondary schools or colleges. The research study involves focus group discussions with students for which school's help will be needed in selecting students and making available a room for holding such discussion. The research team may also need to interview the school's faculty

NEERMAN (www.neerman.org) has been designated by the World Bank's India Health, Nutrition, and Population (IINP) Portfolio to carry out this research study in Assam. The following are the names of researchers from NEERMAN coordinating the study in Assam and they or their supervised research staff will be visiting the school for the survey

1. Mr. Buddhadev Ozha (Senior Field Manager, M. 9101542370)- Coordinator-data collection ✓
2. Ms. Debangana Das (Research Manager, M. 7428563277)-Field Manager
3. Dr. Purabi Pathak (Sr. Researcher, M. 9987592870)- Assam Team Lead
4. Dr. Sumeet Paul (Research Director, M. 9223221594)- Team lead of the study

You are hereby requested to extend all necessary support and cooperation to NEERMAN in identifying the required students and assign a Single Point of Contact (SPOC) from your institution ensuring successful completion of the study.
