Three Year Degree Course Syllabus (CBCS), 2020-2021

Proposed Scheme for Choice Based Credit System (CBCS) in B.A. (Honours/Pass)

Persian B.A. (Hons.): Persian is not merely a language but the life line of inter-disciplinary studies in the present global scenario as it is a fast growing subject being studied and offered as a major subject in the higher ranking educational institutions at world level. In view of it the proposed course is developed with the aims to equip the students with the linguistic, language and literary skills for meeting the growing demand of this discipline and promoting skill based education. The proposed course will facilitate self-discovery in the students and ensure their enthusiastic and effective participation in responding to the needs and challenges of society. The course is prepared with the objectives to enable students in developing skills and competencies needed for meeting the challenges being faced by our present society and requisite essential demand of harmony amongst human society as well and for his/her self-growth effectively. Therefore, this syllabus which can be opted by other Persian Departments of all Universities where teaching of Persian is being imparted is compatible and prepared keeping in mind the changing nature of the society, demand of the language skills to be carried with in the form of competencies by the students to understand and respond to the same efficiently and effectively.

Teaching Method:

The proposed course is aimed to inculcate and equip the students with three major components of Persian Language and Literature and Persianate culture which include the Indo-Persianate culture, the vital portion of our secular heritage. With these, a student not only becomes a responsible civilian but also well equipped to meet the growing demand of this language in south Asian studies which is becoming a fast growing discipline in many major universities at the world level. For imparting language skills especially, there are units for imparting education in functional language through language teaching modes, like practical classes in language labs and holding spoken language symposiums and interpretation sessions. Persian literature which is spread over more than a thousand years and in a vast region of minor Central Asia commonly known as Khurasane-Buzurg, South Asia of which India is a major area and present Afghan-Tajikistan and a large Diaspora of the Persian speakers.

DSE course in Persian is designed to equip the students with requisite information about the last above mentioned subjects.

The MIL and GE Persian Courses in B.A. Honours is designed for those who will be from Non-Persian Honours courses. It will be a boon for ability enhancement for students especially from Hindi, Punjabi, Sanskrit, Urdu, Arabic, History, Economics Music Geography and Physics, Chemistry and Mathematics as Persian has been a language media in last 1000 years for these subjects.

Scheme of Examination:

The mode of evaluation would be through a combination of external and internal assessment in the ratio of 75:25 respectively. Along with routine examinations, classroom participations, class assignments, project work, and language lab presentations would also be a part of the overall assessment of the students.

NOTES:

- * For Core papers, and DSE Theory: 4 classes+ 1 student presentation per paper per week
- * For AEEC courses: 2 theory classes +1 presentation per paper per week
- * For GE papers 2 classes + 1 tutorial per paper per week per group
- * Practical: 4 practical classes per week/per group
- * Tutorials: 1 tutorial per paper per week per group
- * Each Language lab presentation/ tutorial group will consist of 5-8 students
- * Evaluation through presentations/ projects/ tests
