ERP DOCUMENT

<u>To whom it may concern</u>

This is to certify that Gurucharan College, Silchar 788 004 is having in place an ERP system, which has become a common practice in the Institutions of Higher learning to replace the existing computer system called the legacy administrative computer system with new ones to cope with the continuously changing demands in the context of education. The ERP system of Gurucharan College, Silchar is designed and developed by M/s Exabyte Solutions and implemented by the College. The College is able to implement and enhance organizational efficiency by integrating many information systems performing different functions and existing on different management levels. Although the vast expanse in the capacity of ERP uses is yet to be realized, a variety of modules, which include online admission system, hostel admission, student profile database, entire accounts, etc. Further, the examination related matters are automated by the software developed by Assam University, Silchar for all its affiliated colleges. The salary of the employees is credited online by the software used by the Ministry of Finance, Government of Assam.

However, the development process of the ERP system of the College is still in progress and various other modules are being included and will be included in the near future.
