Strategic Plan of the College 2021-22

Academic Plan

In consultation with the various Cells, Committees, Heads of the Departments and the senior faculty members of the College, the Strategic Plan for the year 2021-22 on the matters related to academic affairs are stated below:

1. The admission process will be conducted strictly based on merit and in accordance with the reservation policy of the Government of Assam. The transparency of the admission process is assured as the mode of admission is online.
2. In addition to the normal UG programme, the College also runs various skill-based professional courses. The students need to be encouraged to opt for such courses for better career opportunities.
3. The Computer laboratory facilities will be enhanced to provide access to a maximum number of students.
4. As per the requirement of the latest CBCS syllabus, the library will procure good numbers of text and reference books to meet the demand of the students and faculty. The renewal of subscription for journals and magazines will be done as a standard practice.
5. Modernization of the research laboratories along with the procurement of the latest tools and innovative technologies will be emphasized upon.
6. Modern Teaching - Learning Methods and tools will continue to be adopted in the College for better classroom experience.
7. Need based online classes will be held considering the outbreak of COVID-19 and the SOPs issued by the competent authority from time to time in this regard will be followed.

This is for the information of all concerned.

Extra-Academic Plan

In consultation with the various Cells, Committees, Heads of the Department and the senior faculty members of the College, the Strategic Plan for the year 2021-22 on the matters related to extra academic affairs are stated below:

1. The students will continue to be motivated to participate in intra-college and inter-college debating, elocution and other extra-curricular activities for personality development, inculcating leadership qualities and boost team-spirit.
2. Career Guidance Cell will lay stress on proper counseling and training of the students with a view to exploring career opportunities and new vistas of the job market.
3. The College with its available resources and man-power will continue to nurture the students of the coaching classes of its adopted slum and provide them necessary academic support.
4. In continuation of its tradition, under the banner of NSS of the College, the students will be motivated to participate in philanthropic activities for the underprivileged and downtrodden section of the society.
5. The institution, as a standing principle, promotes the participation of the students- both girls and boys in NCC for fostering the spirit of nation-building.
6. The Games and Sports Cell of the College will facilitate and mobilize all necessary resources to the students for their training in sports and participation in competitions of different levels.

This is for the information of all concerned.
